TIDBITS

I'm providing all at the next meeting with a copy of the by-laws, and the current lease agreement between PAC and us. I will go over some important lease issues at our next meeting.

Long Range - We need to be looking down the road at a new theatre. We must make sure Encore maintains it's mission of Quality Community Theater, as well as the personal feeling you get from a small theatrical setting.

The Member at Large - Keith - has huge goals of organizing, identifying, and inventorying all of Encores assets. If you have borrowed anything please see him to help him out. If you have keys please make sure you turn them in to him. On this issue the lawn mower that did a disappearing act is back. Thank You and no questions will be asked. Also a big thank You, Tom Cherry for helping out and mowing the grass around the storage building this week. Keith (AKA Member-at-Large) will need a lot of help from time to time so please let him know if you can help him. He is also looking at the idea of adding a Computer. If you have a good one that you may be able to donate please get with him.

I have spoken with Lisa Winslow from the Pasquotank Arts Council and she has agreed to let Encore use one of the windows in the Chesson Building to promote our selves all year long. We will need some help. Any volunteers? Thank you Lisa.

The New Executive Committee has had one meeting called to get a flow of ideas in the old brains moving forward.

Dues were also collected to ensure your officers are up to date. Dues are due and payable to Sue Thomson. Be sure to give her your information, birth date, e-mail, phone, cell number, etc. Items of importance to the membership from these meetings will be presented for discussion during the August 1st Meeting.

HAPPY BIRTHDAY TO ALL

I hope to have a good list after our first meeting in August. If I forgot you, please update your information with Rose Donahue.

Sue Thomson - August 4

Justin Hull - August 6

Peter Thomson - August 15

Diane Zeuner - August 16
