

"Spitfire Grill"

Our musical "The Spitfire Grill" is getting closer to opening night - Cast & Crew are breaking legs rehearsing and building a set for this production. Back stage help is still badly needed, so make sure you contact Tom, Robyn, Sarah or Mary and let them know that you're interested. This will be an unbelievable show so don't miss out on tickets - they are on sale now. Thank you to all who have helped out so far with this show and with the recent workday.

The next workday is scheduled for 3 Feb at 9:00 AM at the Main Street Stage. Help is needed to finish things off and get the theater ready for the show. I believe some painting is needed as well so wear old clothes.

"Odd Couple" Auditions

Our final production for this year is the Odd Couple (Female Version) Directed by Rodger Rossman and Produced by Janet Klein. The Odd Couple" finishes our season in April. This fabulous comedy has action centered on two divorced women who are roommates but can't stand each other's habits.

Auditions are Saturday, Feb 10 from 2-4 and Sunday, Feb 11 from 6-8 at Cann Memorial Presbyterian Church on Main Street. They are looking for 6 women, 2 men and a crew, construction help etc... Let Rodger know if you are interested in volunteering for any position

Member of the Month

CONGRATULATIONS TO "Kate Overton"

Since becoming a member Kate has been involved with almost every production and numerous events. She has volunteered to be in charge of publicity and is co-chair of the membership committee. She is in charge of the outstanding work on the windows located at the Virginia Dare Arcade window, poster distribution and season fliers. By the way, the last show sold more seats than the theatre held and this year has at large turn out of members at every meeting and new members seem to be popping up. Her work makes her Encore's Member of the Month. Thank you for all your hard work Kate.

Director's Call & Play Recommendations

Directors and show recommendations are still needed. If you would like to recommend a play to the membership for next season and/or direct please submit recommendations to the Play Reading Committee Chair Mr. Rodger Rossman. This is your chance to decide what is produced next year. So let Rodger know what you would like to see your theater company do. Please let them know soon so the Reading committee will have enough time to order and read your selections. They have already ordered several scripts and are busy reading those as well as others already recommended by you.
