## **Work Day Aftermath, Who Done It!**

Thanks to all of you that showed up to help. The Member at Large was there with a very organized plan. His crew organized the wood/flats, cleaned out under the risers and hauled the trash away to the dump.

Several members cleaned out the Lighting/Sound Booth. Wow! What a task that turned out to be. A major improvement, great job.

To polish off monumental tasks the tool closet was cleaned and organized by two of our best - Bill Cogger and Ray Jones. They hung a sign hinting at bodily harm if tools etc. are not put back exactly in their original location. Don't be alarmed if you can't find something just ask them for help. The closet looks very organized.

To put the finishing touches on all the sweat this event produced members polished off pizza and drinks.

This was fantastic to see such a large turn out working together and having fun. You all deserve recognition for your help in getting your theater ready for the season.

A Huge Thanks to the Following members:

|                          |                  |

| Ray Jones                | Kyleen Kendall   |

Dan Klein and Keys LockSmith have repaired the front door lock/rekeyed it, and added brass plates to cover up some of the holes. It looks much better. A big thanks to you!

If you have old keys to the theater they will not work anymore. Please see the MAL for new ones.

Peggy Langley of Elizabeth City downtown has graciously offered Encore the use of the Virginia Dare Arcade Window to publicize Encore and our upcoming shows. See Kate if you're interested in helping.
