Keith Throckmorton (MAL) has scheduled a September 9th workday at the Main Street Stage. He needs people, pick up trucks and lot of help. We especially need to support him with this effort to get our theatre in shape and ready for this season. Please mark your calendar for this one. Refreshments & Lunch will be provided.

Training is being scheduled for the new sound system; Janet is currently finalizing training for those interested members that volunteered. She anticipates this will be September 23rd. Those concerned please contact her if you have any scheduling conflict.

Keith Throckmorton (MAL) and Tom Cherry made improvements to the doors of our storage building by adding reinforcements and a new lock. Great Job! Big Thanks to you both!

Remember the MAL is whom you need to contact to check out items or for keys.

Our answering machine has been installed with 4 mailboxes that will be monitored regularly and messages forwarded to those of you they pertain too. For those that worked on this project thank you. I think this will more than serve our needs.
